Kerbside (Calderdale)

Calderdale's Community Doorstep Recycling Scheme

What charitable organisation asks for your rubbish...

Thank You for supporting your Kerbside Recycling Service

...and doesn't ask for your £££ money?

Email: mail@kerbside.org.uk

We do!

The contents of your EcoBox:

- pays for your collections
- gets the long term unemployed into work
- creates wonderful opportunities for people with learning difficulties
- is changed from waste to something reusable

Please fill your EcoBox and make a difference in your community!

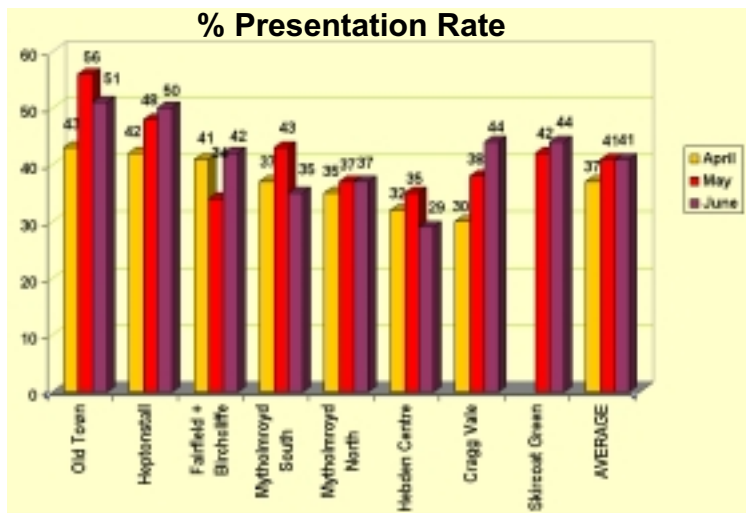

Book-keeping volunteer - Is there someone who could help us out a couple of hours per week?

Volunteering looks great on your cv

Great news! We were successful in our bid for £300,000 of lottery funding to pay for the equipment to expand our service to the whole Upper Calder Valley.

Kerbside (Calderdale) has no connection with the old kerbside service (a question we are frequently asked). So, as a young organisation it is especially important you use your EcoBox to pay for the running of the service as we are paid by the tonne.

We have a skilled board of directors who aim to achieve our social and environmental goals, but it is your participation in recycling that will turn those aims into achievements.

- Each of you produces more than **half a tonne** of waste per year, a total of 100,000 tonnes for Calderdale.
- This has to be buried, but 1/3 of that waste has a value of £40 per tonne when recycled – **so £1.2 million pounds of your money is buried each year!**
- Then the people of Calderdale pay £30 per tonne in landfill tax to bury it – **that is another £900,000.**

Now that's what we call waste. So recycle and save your money!
