LATEST NEWS

The whole of Calderdale now gets a doorstep recycling service.

Three great reasons to recycle with us:

The government has introduced a new landfill tax that could mean £5m fines per annum for Calderdale – that's £66 per household every year.

- If you want to help avoid that fine then please use your box.

Kerbside (Calderdale) uses the materials you collect to create jobs for long term unemployed people and progression to work training for people with learning difficulties.

If we bury or burn everything there'll be nothing left one day.

COMMUNITY

Would you like to form part of Kerbside Can-Do? The 'can do' attitude is more about action than words in setting up community recycling related projects.

Would you like to be part of the Kerbside board of directors? The board directs Kerbside in ensuring we meet our community and environmental objectives. We are looking for people with business, waste management, legal, financial, community development, human resources, training and progression to work skills. Even if you don't fit these categories, if you have a passion for what we do then give us a call.

JOIN IN

What are we not doing that you'd like us to do?

What do we do well? Why do you think we are important? Your letters of support will help us do more as they are a great advert for Kerbside (Calderdale) when we talk to funders or customers.

Thanks to Haddock and Co Solicitors for the invaluable assistance they have given to Kerbside (Calderdale)

Baby Competition Winner!

Congratulations to Juliette Strobel and Amy Fitzgerald on winning our Name the Baby competition.

Parents, Betsy and Floozy now have a Ford Transit called Cruz...watch out for him cruising past your home!

Kerbside's Paul Brannigan presented Amy with her prize at Mixenden's Community School. He says:

"The school had a great hard-working, positive and happy atmosphere - I enjoyed the space project presented by the children, and their performance of the musical Grease".

Here's Amy dressed as one of the Pink Ladies in Grease...

THE LINKS PROJECT - Helping people with learning difficulties and mental health problems into work

We are really happy to announce that a consortium of ourselves, Workwise and Pennine Magpie have obtained funding to deliver independence and progression to work training for people with learning difficulties and mental health problems.

We know lots of people who will benefit from self-worth through work and working in our team. **If you know anyone you think may benefit then please get in touch on 01422 881110.**

We thank you for recycling with us and helping to make the Links project possible.

Funding assisted by

and Yorkshire Forward

Presentation

Presentation				
dos and don'ts, dos	Separation	✓	Yes Please	Put each material into a separate bag - i.e. a bag for paper, a bag for textiles, a bag for tin cans, a bag for each coloured glass (green, clear and brown)
	EcoBox	✓	Yes Please	Put each bag in your EcoBox
	Collection	✓	Yes Please	Place your EcoBox at the kerbside prior to 9 am on the collection day highlighted on the calendar on the back page
	Excess Material	✓	Yes Please	Please place beside your box
	Special Requests	✓	Yes Please	Contact us and we'll try to accommodate your request

Please place each material in tied plastic bags – cans in one bag, glass in another, etc. Please note that if your EcoBox is not presented correctly then our collectors have instructions not to empty it

Materials				
dos and don'ts, dos and don'ts	Paper	✓	Yes Please	Newspaper, magazines, phone directories, catalogues, junk mail, flattened cereal/pizza boxes
		✗	No Thank you	Cardboard, egg boxes
